

CRUISIN' NEWS

Let's Go Cruisin'!

MARCH 2015

Hello Everyone!

What's goin' on?! Thanks to you all for such a wonderful CTC 2014. If you haven't heard, we registered 7,293 vehicles from 39 states, Canada and one overseas military post for "America's Largest Block Party!" Last year's oldest registered vehicle was a 1909 Ford Model T limo. It seems like we had everything from Auburns to Zephyrs and a lot of everything in between, including fun. It's just amazing what you'll see at Cruisin'!

Speaking of fun, 2015 plans are well underway. Our good friend, Dennis Gage, will be back this year, as will Courtney Hansen from PowerNation. A new member is joining our automotive royal family this year... Cristy Lee as seen on "All Girls Garage"! We're busy working on bringing back the Autocross, an event in Pascagoula and improving your overall experience here on the Mississippi Gulf Coast. Pete Vicari promises a great array of classic cars, muscle cars and trucks to choose from at the Auto Auction. We have a new Swap Meet Director in Bob Millard, who brings more than 50 years of car show experience to Cruisin' The Coast.

Of course, we always appreciate hearing from you, our registered participants and dedicated cruisers. You can find us on Facebook, visit our website at www.cruisinthecoast.com, or send us an email at cruisinthecoast@cablone.net. If you need to talk to one of us, call toll free at 888-808-1188.

Keep it between the lines and we'll see you again this October.

Keep Cruisin'!

Woody Bailey

Cruisin' The Coast
October 4-11, 2015
Open to Vehicles 1989 and Older

Why Wait?

"Early Birds" Get The Savings

Save \$30 with Early Bird Registration!

Early Bird Registration opened on Thursday, Oct. 9, 2014 and is open until midnight on August 15, 2015. Early Bird Registration is \$60 and includes: ID for CTC venues, Stamping Card for Sunday's Drawings, one free participant t-shirt, window decal, pin, dash plaque, sponsor goodies and a confirmation card which is your entry for the Early Bird Drawing (10 prizes of \$500 each).

After midnight August 15, 2015, Registration will be closed and you will have to wait for onsite registration starting on Monday, October 5, 2015 at 11 a.m. Onsite registration is \$90 and does not include the 1 free participant t-shirt or the Early Bird Drawing.

Car Corral: easy and affordable

Got one too many cars in the old man cave? Is there an empty space in your "garage mahal" that needs filling? CTC's Car Corral can help with both problems. Open Thursday, Oct. 8 – Saturday, Oct. 10, the Car Corral provides interested sellers an affordable option for displaying their cars and buyers a single location to search for treasures. The Car Corral is open daily, 9 a.m.–5 p.m., and provides a safe and secure location for sellers and buyers alike. A Host Car Club provides volunteers to assist sellers with paperwork and parking, with security provided at night, so you don't have to move it unless you're going to groove it on Highway 90 in the evenings.

The cost is still only \$40 for all three days. The exact site location will be published in the July Cruisin' News and posted on our website, www.cruisinthecoast.com, and on our Facebook page once the schedule is smoothed. Buyers and sellers, you negotiate the price, we just provide the parking!

Find us on Facebook

Keep in touch with Cruisin' The Coast all year long by finding us on Facebook. We post the latest registration information, car counts, states represented and more. We also occasionally ask for your opinion on vehicles, events and all things Cruisin' The Coast. You can also post pics of your ride, ask questions and help potential cruisers learn about "America's Largest Block Party." So take a look and

"like" us on Facebook. And while you're there, visit our Smokin' The Sound Facebook page and learn the latest on our boating events.

(Please, no advertising or product/services sales or unsavory posts. Objectionable posts, as determined by Cruisin' The Coast, will be deleted and the user banned.)

Cruisin' Q&A

Yes, the first two questions are repeats but they are still asked so often that we can't leave them out. Those of you who know the answers may skip to question 3 and thanks for your patience.

How Do I Contact Cruisin' The Coast?

Before or after the event you may contact CTC by email, cruisinthecoast@cablone.net; phone, 228-385-3847/1-888-808-1188 or on Facebook. During the event (Oct. 4-11, 2015) you should phone us at 228-385-3847 or come to the Registration Desk. Please do not email us during the event as we will be onsite and not have access to our email.

How Can I Get My Packet If I've Registered and I Can't Come?

If the unexpected happens and you have to cancel your Cruisin' The Coast trip, but you want your Early Bird registration packet with your free participant t-shirt and other goodies, you may have a friend pick up your packet with one of the following pieces of information: confirmation card for your registration or a note telling us who is picking up your packet along with a copy of your driver's license.

CruisinTheCoast.com

In case you haven't already noticed, we launched an all-new website in February! New top-of-site navigation makes the site easy to get around and big, bold graphics make it fun to look at! Visit us online today at www.cruisinthecoast.com to check out the new site and look for the 2015 schedule to be posted as it becomes finalized!

What if I change my mind on what car I'm bringing?

Call us at 1-888-808-1188 or 228-385-3847 by Sept. 1 and we will change your registered car before we print the ID cards. We can change the car onsite but you will have to wait for the new ID to be printed. Any car you register must meet the eligibility year of 1989.

How do I buy tickets for the CTC Raffle Car?

CTC Raffle Car tickets may be purchased during the event at Cruise Central in Gulfport. The 1967 Chevelle will be on display and Make-A-Wish will be selling tickets. If you wish to purchase tickets before the event, please call the office, 1-888-808-1188 so we can explain the procedure for ordering.

Make your car the star on limited edition CTC shirts

If you have a ferocious Ford, a heavy Chevy or a manic MOPAR, we've got an opportunity for you to show off at CTC. Again in 2015, ET Motorgear will produce a limited edition Cruisin' shirt featuring three or four registered CTC vehicles. To be eligible, first, your vehicle must be registered for CTC 2015, next you'll submit a photo to Earl Tom and he'll do the pickin' and printin'. No later than August 1, send your photos to: customerservice@earltom.com. Send a couple of different views for the Big Cat Daddy to choose from.

ET Motorgear is the exclusive event merchandiser for Cruisin' The Coast gear. Earl Tom and his staff travel to fashion and trade shows across the country to bring you the latest in style, color and comfort. Since 1981, the cats at ET Motorgear have been leading the way in the design and production of the finest motorsports apparel and swag.
